NOTES FROM THE TEACHER

We had loads of fun on our field trip last week! Thank you to everyone who took the time to come and make it a memorable day. We hope you had as much fun as we did!

We have loved welcoming Mystery Readers into our classroom! Students are so excited and surprised watching their mom, dads, grandmas, and grandpas walk into our classrooms! We love the priceless smiles on their faces. ☺ We also love the fact that these family members are connecting over the importance of reading.

We also would like to give a big 'thank you' to our fantastic PTA for providing a new book for every Crissman student! The students were thrilled to pick a new book to add to their home libraries.

The reading logs for *March is Reading Month* are due each Friday for your child to be entered into a raffle for a Barnes and Noble gift card. We are encouraging students to read for at least fifteen minutes at home each day this month!!

Following the recommendations of the district, the Variety Show and Rehearsals will be cancelled. Please be aware on ongoing updates being sent home. As for lunch, we are currently developing a plan to decrease the number of students together in one place. Therefore, students bringing a lunch will continue to eat in the lunchroom and students with food allergies and those who are purchasing hot lunch (which are always PEANUT/TREE NUT FREE) will be eating in the classroom.

Don't forget that our school collects *Box Tops for Education*. Your support is greatly appreciated. Please feel free to contact us anytime with any questions or concerns.

We are partners in your child's education.

WEEKLY CURRICULUM

READING: McGraw Hill Reading: U4W4

The Big Idea: Wonders in the Sky

Essential Question: How do you explain what you see in the sky?

Key Vocabulary: astronomer, series, crescent, sliver, phases, specific, rotates, telescope

SPELLING: U4W4: Diphthongs /oi/ and /ou/
Looking for a fun way to practice your words online...

Visit: www.spellingcity.com/users/Crissman4

GRAMMAR: Possessive Pronouns

WRITER'S WORKSHOP: QAR Strategy- Right There, Think & Search, Author & You, On My Own

MATH: Study guides have come home with your child this past week. We are finishing up and reviewing for our Unit 5 Math Test, which is scheduled for Tuesday, March 17th. Please make sure your child turns in a signed and completed study guide on the day of the test for extra credit. We are super excited to dive into Unit 6 and learn about fractions.

SCIENCE: The Human Body, Senses, & The Brain
Mystery Science- How Does your Brain Control Your Body?

SOCIAL STUDIES: The Northeast Region cont.
